 Department of Transportation - Philippines was live

LIVE The Department of Transportation (DOTr) announces today, 17 May 2019, the granting of the Provisional Authority (PA) to two (2) Private Motor Vehicle Inspection Centers (PMVIC), namely, Winwin Realty Development Corporation and RIAP Motor Vehicle Inspection Services.

Prior to the granting of authority to operate as PMVIC, the PA is granted to give these proponents forty-five (45) calendar days to comply with the legal and/or other documentary requirements of the PMVIC Authorized Committee, and to complete the construction and commence the operation of the PMVIC facility within 120 days from receipt of the PA.

The granting of PA to these two PMVICs is the result of the previous preliminary evaluation conducted by the DOTr last 12 April 2019 on 17 non-contentious applicants for PMVIC authorization.

The DOTr, through Department Order No. 2018-019, allowed the privatization of the Motor Vehicle Inspection System (MVIS) through granting of authorization to private individuals and/or entities.

This is to institute a more efficient system of motor vehicle inspection for the ultimate goal of providing a safe and reliable public transport system.
