**MEMORANDUM CIRCULAR NO. 2020-2181**

09 May 2020

**TO :** All Regional Directors, Asst. Regional Directors,  
Chief of Field Offices and Concerned Employees  
All Medical IT Service Providers, Medical Clinics and Physicians

**SUBJECT :** IMPLEMENTATION OF THE NEW LTO LAND  
TRANSPORTATION MANAGEMENT SYSTEM (LTMS)

The Land Transportation Office shall be launching its **new Land Transportation Management System (LTMS)** starting on 18 May 2020.

In view of the above, all concerned medical clinics are hereby mandated to connect to the new LTMS prior to the date of implementation. Moreover, all physicians are required to enroll in the aforesaid system.

Failure to connect and/or to electronically submit the medical certificates to the LTMS shall cause suspension of the accreditation of the respective clinic.

For guidance and strict compliance.

**MEMORANDUM**

09 May 2020

TO : **All Regional Directors, Assistant Regional Directors,  
District/Extension Office, Licensing Center, DLRO Heads  
All Concerned Employees**

SUBJECT : **IMPLEMENTATION OF THE NEW LAND TRANSPORTATION  
MANAGEMENT SYSTEM (LTMS)**

In view of the implementation of the new Land Transportation Management System (LTMS) that will commence on 18 May 2020 (Please refer to the attached Roll Out Schedule), all Regional Directors are directed to oversee and ensure the following are strictly observed in field offices under their respective jurisdictions:

1. The **PILOT SITES** shall ONLY use the new LTMS (Drivers Licensing System, Revenue Collection System, Online Application and Appointment System, Law Enforcement Traffic Adjudication System) in processing the transactions once the new core systems had been rolled out in their respective field offices. The existing systems (Stradcom) shall be placed as backup and may only be used in cases such as critical and technical issues, system glitches, among others.

Since the new MVIRS is still on the testing stage, the existing system (Stradcom) shall be used to process vehicle registration transactions for this reason.

2. The **NON-PILOT SITES** shall ensure the necessary requirements are available such as chairs and tables, space for driving examination, electricity power source, among others, prior to the rollout date. Likewise, concerned site personnel shall undergo an organizational briefing, "site rehearsal", and end-user's training as part of the site preparation to be facilitated by the Management Information Division and Dermalog JV.

The new LTMS shall run in parallel with the existing systems (Stradcom) for two (2) weeks to provide period of adjustments for the transition. Thereafter, all transactions must be processed ONLY in the LTMS. The Stradcom systems shall

likewise be placed as backup and may be used in the event the aforesaid issues have been encountered.

For concerns and inquiries, you may coordinate with Ms. Arabelle O. Petilla, Chief, MID-Computer Section or Ms. Sally Alvareda, Project Manager, MID-Project Management Office through contact/viber no. 0926 6319791/ 0916 7818667 or via email address at [arabelle.petilla@lto.gov.ph](mailto:arabelle.petilla@lto.gov.ph) / [rizalina.alvareda@lto.gov.ph](mailto:rizalina.alvareda@lto.gov.ph).

For strict compliance.

  
**EDGAR C. GALVANTE**  
Assistant Secretary
