**MEMORANDUM**

**TO :** All Regional Directors  
All Assistant Regional Directors  
All Regional Operations Division Chiefs  
All Employees Concerned

**Date :** 23 December 2021

**Subject :** **EXTENSION OF VALIDITY OF REGISTRATION, DRIVER'S/CONDUCTOR'S LICENSE (D/CL), AND STUDENT-DRIVER'S PERMIT (SP)**

On 08 October 2021 and 28 October 2021, we extended the validity of D/CL and SP, and registration of motor vehicles with license plates ending in zero (0) respectively, due to quarantine restrictions brought by the COVID-19 pandemic.

In view of the said continuing restrictions nationwide, and damages brought by the recent typhoon Odette in certain regions, it is hereby directed that;

1. The validity of all D/CL and SP including medical certificates that expired during the period from 01 to 31 October 2021 is further **extended up to 28 February 2022** without collection of penalty in all regions.
2. The validity of registration of motor vehicles in regions 4B (MIMAROPA), 5, 6, 7, 8, 10, and 15 (CARAGA), with license plates ending in "0" are hereby **extended up to 31 January 2022** without collection of surcharges and/or penalty.
3. The validity of registration of motor vehicles with license plates ending in one (1) and are due for renewal in January 2022 are hereby **extended up to 28 February 2022** without collection of surcharges and/or penalty in all regions.

The weekly schedule for the middle digit of said plate numbers shall be observed for purposes of complying with IATF regulations on physical distancing.

The previous directive extending the validity of D/CL, SP and medical certificates that expired in November and December 2021 to January and February 2022 respectively, shall remain in effect.

This Memorandum shall take effect immediately.
